*We are
a Christian
community
called to
love God,
love neighbor,
love self,
as Jesus taught.*

Dear Ones,

Christ is risen! He is risen indeed!

Just look around and you will see the evidence.

On the door of my study at home there hangs a wise saying which reads:

"The world is still turning, so there will be a new day."

Simple. And I cannot tell you how many times I am helped by reading those words.

These days I am finding that it is among the most important things that I can say to my grown children when they encounter the challenges of adult life. There is a Mother Wisdom that rises up in me to offer simple words of hope and calm and the encouragement to just hang in there and trust that all will be well. They will know what to do if they listen to their hearts and engage their best thinking and stay connected to the world around them with compassion and wonder.

I think of my mother who is aging now (aren't we all?). I think of her simple wisdom, spoken and lived, which have given me hope and peace and confidence to be and become myself, to know that I am a person who has both the responsibility and the power to make life better for myself, my family, my neighbors, my community, my country and beyond, for the land, water and air, and for a whole web of life that makes up our Earth. That's a lot of wisdom to pass on.

The Native American people talk about living in such a way that we keep faith with the 7th generation to come. Imagine that for a moment. From one's own generation, it means making decisions about how people and earth and the whole web of life is cared for down to your great-great-great-great grandchildren. Imagine that. Even if all we are talking about here is our care of the land, water and air - caring for our Mother Earth.

continued on next page

continued from previous page

As I experience myself age, as I witness my mother aging, and as I watch in wonder as my grandchildren grow and play and learn and age, I am more and more thinking about caring for our Mother.

I grew up in Chicago, on the shore of Lake Michigan. Today I live on the Detroit River and we are lucky to have a little cabin in the woods a short walk from Lake Huron in the Thumb. As a new-comer to Michigan it has taken a while for the idea to sink in: that our state is actually *two* peninsulas. Our Michigan is held in the embrace of the Grate Lakes, rocked and sung by Her waters. Twenty percent of the world's fresh surface water runs round our shores. Imagine that. How shall we honor and care for this gift so that life can go on and on?

There are Native American women who are caring for the waters of our continent. There is a group of Native American women who walk around the shores of the Great Lakes every year offering their prayers. There are Native American women who recently carried water from the source of the Patomac River to the Chesapeake Bay so that she can remember how she tastes at the beginning before she is polluted by the industry, energy and waste treatment. Perhaps if she remembers how clean and healthy and alive she was at her beginning, she can begin to heal herself. Imagine believing in the power of prayer like that. Imagine believing in resurrection.

This Mother's Day let us give thanks for our mothers and grandmothers. And for the grandchildren we have and those we long for and already love. But I also ask you to give thanks for our Mother Earth, and especially her waters. If you can, dip your toes (or watch a child do this!) in a cold stream or river or lake . . . even a Great Lake. Listen to her sing. And think about how we can heal and care for the waters all the way to the 7th generation.

Here's a way to begin. Let's all stop buying bottled water. The little bottles, I mean. Think about all of that plastic. Think about the fuel used to pump, bottle and transport that water. Turn on the tap - maybe use a filter - and fill a washable cup or container with some blessed water! (And pray for our brothers and sisters in Flint who are still drinking leaded water. Or for brothers and sisters in Detroit who have had their water shut off. Ask your state representatives to support clean, accessible, affordable public water for everyone in our Great Lakes state. And ask them to attend to the aging pipelines that carry crude oil beneath the straight of Mackinaw. You know I could go on and on!)

There's still time. The world is still turning, so there will be another day. Let us live like we love the 7th generation.

Happy Mother's Day!

Pastor Denise

Yard Sale...

As you do your spring cleaning this year and find all those hidden treasures, think about the church yard sale.

Once again, this year we will be participating in the **Richmond City-wide Yard Sale on July 28 & 29**. This was a huge fundraiser last year and we are hoping for the same this year. Please, no clothing, but most everything else is fair game.

Help Keep our Church Lawn Beautiful...

If you can lend a hand by mowing the church lawn, please write your name on the schedule that is on the back table for the week or weeks that you would like to mow the lawn. Thank you.

Due to a parishioner allergy:

First United Church of Christ is now a pineapple free zone.

Please refrain from lotions, gums, fruit snacks, fruit juices, perfumes, air fresheners and any other scent or flavoring with pineapple in it.

Please do not bring anything for coffee hour that contains pineapple. This is really serious. Let's all do our best to take care of each other!

Mission News...

It was wonderful to watch the pile of canned food, boxes of cereal, pasta, jars of spaghetti sauce, jellies, peanut butter, cans of coffee and boxes of crackers grow at the front of the sanctuary during Lent. Thank you to everyone who donated to the Richmond Food Pantry. We took eight boxes and two shopping bags (approximate value was \$375.00) full of goods to the Pantry at St. Augustine Catholic Church.

The Community food pantry has been in Richmond for 40 years and has helped many people living within Rich-

mond and the Townships of Richmond, Columbus, Casco and Lenox.

In June, we will be having a Baby Shower for Kids In Distress Services (KIDS) in St. Clair. This organization provides clothing and bedding items for youth ages infant through 18 years.

KIDS needs: newborn diapers, baby towels and wash cloths, crib sheets & bassinet sheets, infant blankets (not knitted), Boys shorts (size 2T), Girls solid color shirts & shorts (size 2T) and Girls shirts (size 18 months). Please bring your

items to the church by the Deadline of **June 18**. Give what you can and know that you are helping children in our area.

Also, if you are out shopping and find a good sale on winter clothes – boys pants (size 12 & 24 months) and girls tops (size 18 months) and girls pants (6/9 months), they will be needed for next winter.

“Jesus loves the little children, all the children of the World. Red & yellow, black & white, they are precious in his site. Jesus loves the little children of the World.”

Church World Service Blanket Sunday, May 14

Do you have a favorite blanket? Have you ever been really cold? Have you ever used a folded blanket for a pillow? For people who have gone through a disaster, like a flood or a tornado, a blanket might be a very nice thing to receive. Blankets are such an

important way to help people in need, and this is why our congregation is taking an offering for Church World Service Blankets.

In 2016, CWS gave 3,064 blankets to people here in the United States. The offering on May 14th tells people who are hurting that someone cares about them. It's like a hug made out of cloth! Envelopes will be provided in the

Sunday bulletin, and please give as many “hugs” as you can.

Thank you for giving to One Great Hour of Sharing. We collected \$495.00. The special mission offering of the United Church of Christ carries God's message of love and hope to people in crisis.

The McREST program will be held at Armada Congrega-

tional Church the week of May 7-13. Members of our church will be providing cakes every day for the 30 men that will be staying at the church.

The Positive Dog

Spring has sprung and the weather is making a turn for the better. It's that time of year again when the Sunday school children and their families start planning for the planting of the Butterfly Garden. The garden will be planted on June 4, after worship. We need donations again this year: top soil, mulch, perennials, annuals and anything else that you think would make a good addition to the garden. Also, please consider staying and helping us with this mission. After planting, we will have a light lunch. Thank you in advance.

Rewarding Gifts

Many of our older and disabled neighbors are isolated

and looking for a special friend who can drop by every week or two to chat, read mail, go out for coffee, or just let them know that someone cares. If you have just a few hours each month that you can give to someone who has no one, you can make a real difference in the life of a frail or homebound

neighbor. Your special gift of time may turn into a very rewarding gift for you as well.

Pastor Denise's Office Hours and Pastoral Care

I plan my week to be in Richmond on Tuesday, Thursday and Sunday. It's possible that the days may move a bit as I respond to various needs that arise, but for the most part, that's when I'll be in town. If possible, please plan for committees to meet on one of those days or evenings.

Thanks so much! If there are situations that arise in which you'd like pastoral care, please call to let me know. In the old days, hospitals and rehab/nursing facilities used to inform pastors when one of their flock was admitted. That doesn't happen anymore.

You can reach me directly by calling my cell phone – 630-297-1740 or call the church office and leave a message with Helen or on the answering machine. I'm always happy to receive your calls.
