

June Pastor Report

I now visit only East Harbor, Leisure Manor, and MediLodge and whoever calls for a visit. I visit Jim Weeks twice a week now because he *expresses* he is at the end and he loves having a visit. There is a visible change in Jim Weeks.

The importance of connection with the Conference is imperative if for no other reason than to connect with UCC in other states. Our own MI conference offers much and DMA, our Association, is the largest in MI. Again on:

1st Monday's - Progressives meet at Noon

1st Wednesday's Lunch with Conference Minister and it is taped for viewing afterwards. I sent June's to everyone on Church Council.

Social Justice is on 2nd Tuesdays

DMA Linking Board on 3rd Monday evening

Palm Sunday Path continues and focus is on getting the vote out in November.

COM on 3rd Thursday evening (private) but come January there will be opportunity for more Lay involvement as the Unified COM goes into effect. The MID'S can be in discernment up to six years and now come January the process will be split between the five Associations in MI.

2nd, 3rd, and 4th Wednesdays have other gatherings including MID's [Members in Discernment], Reading Club, The Mitten Project. The Women of UCC just had a weekend at the Retreat Center on Lake Huron. UCC women has some postings [lots of pics]
