

## October 2025 Pastor Report

Since our September meeting the MI Conference Annual Meeting took place in Southfield and links to the workshops have been sent with a special suggestion to view the one presented by Lawrence Richardson on Vitality.

The First Wednesday with the Conference Minister is available after the noon zoom gathering and worth checking out, First Monday's, also at noon, is very small zoom gathering for Progressive Communities, Social Justice is on the Second Tuesday at 10:00 AM, Second Thursday's has our former Eastern Association Pastors gathering at 1:00 and then at 6:00 PM the 'Linking Board' gathers, also on zoom. The Linking Board is the overseeing group of the DMA. The COM 'committee on ministry' zooms on the Third Thursday in the evening.

**Of note:** Social Justice and Linking Board list things folks might want to be informed about: Freedom in the 21st Century is November 3 at 6:30 at Macomb College Center Campus, No More Kings is Saturday, October 18, in Romeo between Noon and 2:00 or Downtown Detroit from 3:00-5:00. At the last Linking Board there was an update from the local churches who sponsored or took part in Pride Parades.

Phone and in-person visits continue. Lucille Trombley continues to have a great spirit and is coming along fine, Jim Weeks loves company and he never leaves the building so if you can drop in he is in 812, Lucille in 612, both at MediLodge Richmond. Just saw Lucia again at East Harbor on Tuesday; my gosh that gal does 'power walking' as I amble along after her! Joyce goes to all the activities at her residence in Romeo. She is good, still reads, still enjoys company.

See you Sunday after the Annual Meeting.  
Respectfully submitted, Pastor KatieD+
